

SAFETY FROM BIASED PRICE

when The client is asking for negotiation

“It doesn't make sense to pay this much”

Reply with this :

Well listen when you go to a party you wear expensive clothes right? just to look good?

It's exactly the same thing to look good on social media you have to invest in your video quality

Otherwise you keep looking carbon copy of somebody else

That's why I'm saying let's collaborate to make you unique Using my skills.

SAFETY FROM SCAM

when The client is asking for After payment

“I will pay after the work is done”

Reply with this :

Well as you see I will create one video for free
and the next videos can be Sent with
watermark which says as sample and then you
do the payment I will send you with the
removed watermark

SAFETY FROM FRUSTRATED CLIENT

with lot of revisions

when The client is asking for unlimited revisions

“I want more revisions”

Reply with this :

Well as you see I Have already revised the video many times and which is a time consuming task I would like to see that if you do not feel the perfection I am really sorry about that I tried my best to make it perfect but I think I can have a video meet with you I will share my screen and you can tell me to adjust things according to you so that it will be easy to fix
